

NSN 2022 PROGRAMME (preliminary):

What's new in Nephrology - a Nordic Clinical Approach

<b>Wednesday 4th May</b>	
<b>7.30-15.45</b>	<b>Precourse – Young Nephrologists Training</b> <i>Separate payment and registration</i>
<b>16.00-17.00</b>	<b>Industry symposium I: Baxter</b>
<b>17.00-18.00</b>	<b>Industry symposium II: Bayer</b>
<b>18.00-18.45</b>	<b>Candlelight lecture</b> <i>Eske Willerslev, Lundbeck Foundation GeoGenetics Centre, Copenhagen, Denmark</i>
<b>18.45-19.30</b>	<b>Evidence is not necessarily evident – dirty stories from the 21<sup>st</sup> century</b> <i>Niels Holmark Andersen, Odense, Denmark</i>
<b>19.45-</b>	<b>Welcome reception at Odense Town Hall</b> <i>Host of this arrangement is Odense City Town Hall</i>

<b>Thursday 5th May</b>	
<b>8.00-9.00</b>	<b>Industry symposium III: Fresenius</b>
<b>9.00-10.30</b>	<b><u>Session 1: Hot topics in renal transplantation</u></b> Chairs: Claus Bstrup and Søren Schwartz Sørensen
9.00-9.10	<b>Renal transplantation in the Nordic countries – an overview</b> <i>Søren Schwartz Sørensen, Copenhagen, Denmark</i>
9.10-9.30	<b>The frail transplant candidate – any help from the guidelines</b> <i>Wolfgang Arns, Köln, Germany</i>
9.30-9.50	<b>Too few donors – how to expand the donor pool?</b> <i>Markus Gäbel, Göteborg, Sweden</i>
9.50-10.10	<b>Immunological barriers – STEP, STAMP, IDES – what is it all about?</b> <i>Per Lindner, Göteborg, Sweden</i>
10.10-10.30	<b>Evidence based vaccination recommendations in renal transplant candidates and recipients</b> <i>Susanne Dam Poulsen, Copenhagen, Denmark</i>
<b>10.30-11.00</b>	Coffee & exhibition (posters)
<b>11.00-12.30</b>	<b><u>Session 2: Kidney disease and infections in the Nordic countries</u></b> Chairs: Ditte Hansen and Helle C. Thiesson
11.00-11.20	<b>Hanta virus - when, where and how?</b> <i>Satu Mäkelä, Tampere, Finland</i>
11.20-11.40	<b>Leptospirosis, an often-missed diagnosis in patients with AKI</b> <i>Steen Villumsen, Drammen, Norway</i>
11.40-12.05	<b>Covid 19 infection and the Kidney</b> <i>Jan-Stephan Sanders, Groningen, Netherlands</i>
12.05-12.30	<b>The Nordic Patient with Kidney Disease as a World Wide Traveler</b> <i>Carsten Schade Larsen, Aarhus, Denmark</i>
<b>12.30-13.30</b>	Lunch and exhibition

<b>13.30-15.00</b>	<b><u>Session 3: Vascular calcification in chronic kidney disease</u></b> Chairs: Iain Bressendorff and Ditte Hansen
13.30-14.00	<b>Calciprotein Particles and Calcification Propensity</b> <i>Andreas Pasch, Linz, Austria</i>
14.00-14.30	<b>New Approaches to Prevention of Vascular Calcification</b> <i>Jürgen Floege, Aachen, Germany</i>
14.30-15.00	<b>Adynamic Bone Disease - Treating Bone to Protect the Arteries</b> <i>Pieter Evenepoel, Leuven, Belgium</i>
15.00-15.30	Coffee and exhibition (posters)
<b>15.30-16.30</b>	<b><u>Session 4: Genetics and pathophysiology of renal diseases</u></b> Chairs: Jon Waarst Gregersen and Maria Rasmussen
15.30-16.00	<b>Genetics in kidney diseases</b> <i>Carsten Bergmann, Freiburg, Germany</i>
16.00-16.30	<b>MUC1-ADTKD and genetic analysis of patients with kidney failure with unknown origin</b> <i>Maria Rasmussen, Vejle, Denmark</i>
<b>16.30-17.30</b>	<b>Industry symposium IV: Astra Zeneca</b>
<b>17.30-18.30</b>	<b>Selected abstracts oral session</b> Chair: Mark Reinhard
<b>18.30-19.30</b>	<b>Industry symposium V: CareDx</b>
<b>19.30-</b>	<b>Posters and Tapas</b>

<b>Friday 6th May</b>	
<b>8.00-9.00</b>	<b>Industry symposium VI: Astellas</b>
<b>9.00-10.30</b>	<b>Session 5: Complement (Alexion grant)</b> Chairs: Hans Dieperink and Jon Waarst Gregersen
9.00-9.40	<b>Complement activation in VTEC-HUS, and in aHUS: Can purinergic receptor antagonism or blockade of the kallikrein-kinin system be used in the clinic</b> <i>Diana Karpman, Lund, Sweden</i>
9.40-10.10	<b>Complement dysregulation in HUS - genetics and complement function</b> <i>Seppo Meri, Helsinki, Finland</i>
10.10-10.30	<b>Cases and discussion</b>
<b>10.30-11.00</b>	Coffee & exhibition
<b>11.00-12.30</b>	<b>Session 6: Diabetes and complications</b> Chairs: Mads Hornum and Rikke Borg
11.00-11.15	<b>30 years progress in diabetic nephropathy - from hypertension to dual RAAS-blockade</b> <i>Frederik Persson, Copenhagen, Denmark</i>
11.15-11.45	<b>Update of antidiabetic medication and the effect on kidney disease (GLP1 effects, CREDENCE and DAPA-CKD) - and what is to come? (FLOW, EMPA Kidney).</b> <i>Johannes Mann, Munich, Germany</i>
11.45-11.50	<b>Short discussion</b>
11.50-12.10	<b>Current Scandinavian state of Kidney-Pancreas Transplantation.</b> <i>Mads Hornum, Copenhagen, Denmark</i>
12.10-12.25	<b>Updated KDIGO guideline on the management of diabetes in CKD.</b> <i>Peter Rossing, Copenhagen, Denmark</i>
12.25-12.30	<b>Short discussion</b>
<b>12.30-13.30</b>	Lunch and exhibition
<b>13.30-14.30</b>	<b>Session 7: Honorary Lecture of the Danish Society of Nephrology – Claus Brun Lecture</b> <i>Søren Schwartz Sørensen, Copenhagen, Denmark</i>
<b>14.30-15.00</b>	Coffee and exhibition
<b>15.00-17.00</b>	<b>Session 8: Glomerulonephritis</b> Chairs: Jon Waarst Gregersen and Per R. Ivarsen

15.00-15.30	<b>Anti-PLA2R antibodies in Membranous Nephropathy</b> <i>JF Wetzels, Nijmegen, Netherlands</i>
15.30-16.00	<b>New treatments on the horizon ... The raise of complement blockage</b> <i>Andreas Kronbichler, Cambridge, UK</i>
16.00-16.30	<b>Anti-GBM disease and IdeS</b> <i>Mårten Segelmark, Lund, Sweden</i>
16.30-17.00	<b>New KDIGO GN guidelines</b> <i>Jürgen Floege, Aachen, Germany</i>
<b>17.00-18.00</b>	<b>Industry symposium VII: VIFOR</b>
<b>19.30-</b>	<b>Congress dinner and Nordic Networking (separate registration)</b>

<b>Saturday 7<sup>th</sup> May</b>	
<b>8.00-09.00</b>	<b>Industry symposium VIII : Chiesi Pharma AB</b>
<b>9.00-10.00</b>	<b>Industry symposium IX: Sanofi</b>
<b>10.00-11.30</b>	<b><u>Session 9: Anticoagulation in dialysis patients - Warfarin, DOAC or nothing?</u></b> Chairs: Christian Daugaard Peters and Jesper Mosgaard Rantanen
10.00-10.30	<b>Clinical praxis concerning anticoagulation in CKD5D</b> <i>Peter Bárány, Karolinska University Hospital, Stockholm, Sweden</i>
10.30-11.00	<b>Warfarin vs. nothing</b> <i>Nicholas Carlson, Rigshospitalet, Copenhagen, Denmark</i>
11.00-11.30	<b>Apixaban vs. nothing</b> <i>Marie Evans, Karolinska University Hospital, Stockholm, Sweden</i>
<b>11.30-12.00</b>	Coffee and exhibition
<b>12.00-13.30</b>	<b><u>Session 10: Future perspectives in Nephrology</u></b> Chairs: Henrik Birn, Aarhus, Denmark and the next NSN president
12.05-12.25	<b>Challenges in predicting future developments in patterns of AKI and CKD in Europe</b> <i>Professor Dorothea Nitsch, London, UK</i>
12.25-12.45	<b>Stem cells in renal medicine</b> <i>Professor Marlies E.J. Reinders, Rotterdam, The Netherlands</i>
12.45-13.05	<b>Getting rid of the bad bodies – the future of removing pathogenic antibodies in kidney disease and transplantation</b>

13.05-13.25	<i>Professor Mårten Segelmark, Lund, Sweden</i> <b>The Omics in Nephrology – Challenges and Future Perspectives</b> <i>Professor Rob Fenton, Aarhus, Denmark</i>
<b>13.30-</b>	Farewell
<b>13.30-14.30</b>	<b>General assembly of the Danish Society of Nephrology</b>
